January 27th 2015

PARKES Canberra, ACT 2600

Dear Ladies and Gentlemen of the Court's Administration,

You have been contacted this day through email by John Portelli from Normanhurst NSW.

John has made it known to you that he has travelled to Rome and validated the monstrous cover-up by Pope Francis that Pope Benedict XVI announced to the world through electronic media that the Lord Jesus Christ the Image of the Shroud of Turin, is an Australian born man whose new name of the Revelation 19:12 is Brian Leonard Golightly Marshall and John Portelli has met him.

On January 26th 2015 the pages contained in this fax were successfully transmitted to the ICC in The Hague, bringing charges against Pope Francis and his Archbishop Georg Ganswein.

Although uploaded to the internet for the world to judge, this copy of that fax is a courtesy to the Highest Court of Australia, the re-birth nation of the Lord Jesus Christ, an honour that Australians in officialdom have not yet grasped.

John spent last week sending the same information he has forwarded to you of the conversations by email between Pope Benedict and the Christ Mr Marshall to the office of Chief Justice of NSW Peter McClellan, the Archdiocese of Sydney Mike Bailey who directed them all to be sent to the Nunciature in Manuka Canberra the Ambassadors office to the Holy See at the Vatican.

Francis has been busy feathering his nest with Australians, first George Pell implicated in child abuse cases settled out of court years ago, I personally know one of his victims. George placed in charge of finance...he must be wondering how in the hell he ended up there... and then Francis called to the Vatican Paul Richard Gallagher so now the Nunciature in Canberra is sede vacant!

Marvel at the content of these pages and should every employee at the High Court be privy to them so much the better, there is nothing like a fire lit by the tongue to bring down the evil of this world.

Yours in Love and Truth

Christ Brian Leonard Golightly Marshall and Mrs Marshall

Dear Mr Stewart,

The Christ is returned and announced by Pope Benedict XVI on March 12th 2013. For announcing the Christ, Pope Benedict was imprisoned in Castelgandolfo and his two witnesses to the second coming were kidnapped April 3rd 2013, then 10 days later one of them was reported by an eye witness to have been murdered by men hired by Pope Francis.

The absolute proof and evidence for identifying the Christ, has been sent as part of this fax, a copy of a 7 page letter sent to the Archbishop of Canterbury Justin Welby containing the tip of a very large iceberg of evidence recorded within the measure of the Creation.

There is a media blackout and a Vatican cover-up, the Christ is subject to the Protocols of Zion number 14 which simply states **"We shall forbid Christ"** and many attempts have been made against his life including the ingestion of cyanide placed in his food in Coombs BC Canada by Mossad in 1995 to no avail, as a matter of fact the agent who arranged it exclaimed "you really are Christ". All the world leaders have been notified and have tried to kill the Christ. Elizabeth II should be named in this indictment she is the head of the Anglican Church and has known of the Christ's presence for years, however

The prophecy is that the Lord would be rejected and the churches will come to him and say *"Lord, lord, have we not prophesied in thy name, and in thy name have cast out devils? And done many wonderful works, and then will I profess unto them "I never knew you depart from Me ye who work iniquity"* Matthew 7:22,23

Pope Francis and his Archbishop Georg Ganswein are to be charged with kidnapping, murder and conspiracy to defraud the nations of peace and rest which can only come through the Kingdom of God being established by the Christ leading the way for all the nations and peoples of the earth.

After reading this executive summary of events, you may reply it is not within the jurisdiction of the ICC, however since the purpose of the ICC is to investigate crimes against the innocent, the information contained within this first contact discloses the greatest event in history being suppressed. ***When this information is made known to the peoples of the nations, the news alone brings a stop to the war, terror, genocide and slaughter of the innocent.***

From March 8th 2013, 4 days before the convening of the conclave, all of the Cardinals were made aware through faxed and emailed announcement's that the Christ is back , but the Conclave went ahead when it **should have been stopped to carry out an investigation.**

Beginning March 11th 2013 Australian Eastern Standard Time is the greatest cover-up and crime in the history of the Earth. A new pope was elected **after Pope Benedict XVI had announced he had met Christ via email in Australia on March 12th 2013** the day the conclave began and the day before the election of **Jorge Bergoglio**.

The whole reason for the existence of the Roman Catholic Apostolic Church is to hand it over to the Christ when he has made his presence known to the leader of the Church.

If it had been the case that Pope Benedict XVI made the same statement before he announced his retirement on February 11th 2013, the entire Christian world would sit up and listen regardless of the position of the Protestant religions, the 1.2 billion Catholic Faithful are compelled to follow the direction of the Pope.

This would stop all conflicts around the globe in their tracks as all are directly or indirectly caused by Zionism.

This is what occurred.

On March 9th 2013 a German lady was able to contact the office of Pope Benedict XVI at Castelgandolfo. She had known about the man Christ for 3 years, his dual nationality Australian / Canadian.

The Pope replied and arrangements were made to communicate with the Christ in Australia through live emailing.

Benedict at first was sceptical as reflected in his first two emails sent through the night while the Christ was asleep and so not being able to respond until later that morning.

After a several hours of communication, it was evident to Benedict he was indeed communicating with the Christ, the conclusion he came to on the **12th of March 2013** before the conclave commenced.

On the 23rd of March 2013 Pope Benedict XVI met with the new pope Francis at Castelgandolfo where **Benedict told Pope Francis he had finally met Christ** whose new name of the Revelation 3:12 and the name written that only he would know of the Revelation 19:12 is **Brian Leonard Golightly Marshall, the one whose image is that of the Shroud of Turin**. Francis of course rejected the news as expected, since he is the biblical Antichrist.

The 45 minute meeting was **witnessed and photographed by Archbishop Georg Ganswein**, the Prefect of the Pontifical Household for Benedict XVI and Francis.

The two other witnesses to the second coming unfolding within and who remained in Benedict's office are **Sister Maria Della Rosa**, a nun who was housekeeper and friend to the Pope for 20 years, her duty was to be in charge of the biography of the communications **between His Holiness and the Christ Brian Leonard Golightly Marshall**.

Father Giuseppe Civello, computer literate, was communicating with **Mrs Marshall** in the office of the Christ via **Face Book messaging**. It was he who made the arrangements for Pope Benedict and

the Christ to email each other through a private Gmail account that had been made exclusively for the advent.

The printed copies of those emails as well as the Facebook messaging conversations that continued until April 13th 2013 are the more than **300 pages of evidence available for an investigation** by authorities and have been made available to the public through internet sites like Scribd.com since April 2013.

In addition, **three witnesses** were in the office of the Christ in Australia who recorded the events as well as others from around the world that was being forwarded, Face Book communications with Father Civello, they too are available.

The events that followed the meeting between Benedict and Francis on March 23rd 2013 are as follows, keep in mind every detail of them is part of the printed record of the emails and messaging between the Christ and the Papal Office of Benedict.

In the March 23rd 2013 meeting Pope Benedict asked and was given **permission by Francis**, to publish his words in an **Apostolic Letter** that **Pope Benedict was writing announcing the return of the Christ to the world.**

The Apostolic Letter Pope Benedict called “In Christum Credunt” was finished and uploaded to the internet on **March 26th 2013** Australia time.

The Apostolic Letter was sent to a friend of Father Giuseppe Civello in **Toronto Canada** for uploading to the internet because Father Giuseppe found he mysteriously could not upload it from **Rome**. The name of the friend was **Msgr. Giovanni Rossini**.

The Apostolic Letter was sent to the email of the Christ from Pope Benedict’s gmail account evidencing its source.

Pope Benedict requested a YouTube video be made of the reading to the world his announcement through In Christum Credunt. The video was uploaded to the YouTube channel of the Christ called **SwordOfTruth888** at the time. The current channel is **SwordOfTruth3168**.

The Apostolic Letter In Christum Credunt is sent with this fax.

It should be an easy matter for you as Deputy of the ICC to identify yourself to Georg Ganswein at the Vatican and ask to speak directly with Pope Benedict XVI to ask him “did you write the Apostolic Letter “In Christum Credunt” announcing Brian Leonard Golightly Marshall as Christ”? If you are not allowed to speak with him then you know that Ganswein has everything to hide.

March 29th 2013 it was made known by Georg Ganswein to Father Giuseppe and Pope Benedict and the office of the Christ that Pope Francis would not accept the news of the returned Christ.

March 30th 2013, RAI TV was airing a documentary that Pope Benedict had organised on March 3rd 2013 when he went to Turin Chapel and allowed the TV cameras in for the first time in 30 years.

Mrs Marshall through the Facebook messaging to Father Giuseppe commented they were about to watch the documentary live through the internet from Australia in four minutes time.

Father Giuseppe was surprised and remarked that he had not been told and so told Pope Benedict who then phoned RAI TV to find out what was going on since He Benedict had not been contacted by the station to confirm with him when the documentary was to be shown.

Father Giuseppe reported that he not seen Pope Benedict so angry, RAI told him that Pope Benedict's video recording that was to go before the showing of the documentary, and was the public announcement to the world revealing the Christ returned, the one whose image is the Shroud of Turin was Brian Leonard Golightly Marshall, **had been cancelled by Francis**. That recording was to have been a surprise for the Christ, something the Christ had he been asked would have advised against knowing the danger Benedict was surrounded by.

That night Father Giuseppe and Pope Benedict worked on putting together a simple video power point in Italian set to music, alerting the world to what had happened. It was a plea to the Christian World for help for Benedict since he now knew he had become a prisoner in the Vatican like Pius IX.

The video was sent to the email of the Christ and was asked to publish it to the YouTube which was done that same night. The video was also uploaded with the English Translation subtitles which Father Giuseppe gave through the Facebook messaging to Mrs Marshall.

A disciple of the Christ from London made himself available to go to Benedict at Castlegandolfo to help and record using video camera Benedict and Giuseppe's live testimony for the world to know.

The disciple whose name is Dexter Sheehan was to fly into Rome at **5pm on April 3rd 2013** and the details were messaged through Facebook to Father Giuseppe.

In the early hours of the morning of April 3rd 2013 at about 1.30am Rome time, Father Giuseppe while messaging Mrs Marshall through his personal Facebook page called Giuseppe Civello, sent a distressed message in ALL CAPITAL LETTERS, saying that Francis had hacked his Facebook and knew about Dexter coming and so he was to be defrocked as priest, taken out of the Lazio region to a place unknown, and he no longer had control over the Facebook page he had created for "In Christum Credunt", it was to be deleted. Giuseppe was to be charged with **treason for helping Benedict with "In Christum Credunt"**

The last communication from Father Giuseppe's personal Facebook page **April 3rd 2013** was at **2.36am** Rome Time when the police who were watching Giuseppe message Mrs Marshall, typed **"Ciao were are the police stop talking to p Giuseppe he will stop facebook now."**

The following email was sent to the Christ Mr Marshall using Pope Benedict's Gmail account.

To this day Father Giuseppe, Sister Maria Della Rosa, Monsignor Giovanni Rossini are missing. Father Giuseppe was reported shot dead at Cassibile Sicily on April 13th 2013 by a man hired by Francis. Sicily the place Giuseppe was taken to out of Lazio, to a house organised by Francis for holding him prisoner from where he tried to escape when he was gunned down.

Everything is recorded in the emails and Facebook messages.

April 11th 2013, 8 days after the kidnapping, Giuseppe was able to get word to us again using his Facebook on a computer conveniently supplied and was obviously being watched by the men Francis hired.

Giuseppe described what happened to himself and Benedict the night they took him away, the last he saw of Benedict was him on the ground crying, the thugs had punched him in the ear and it was bleeding as he tried to stop them hand cuffing Giuseppe who was taken in a black car, chloroformed woke up in a basement to be kicked in the jaw, was taken by train to Avoca Sicily to a house organised by Francis who had also organised a **“friend” of Giuseppe’s to be hostage with him.**

The men hired by Francis, found Giuseppe messaging us once more, they took over again and claimed they were the Antichrist’s they were the ones doing this and **to “watch what Francis has up his sleeves”**, this was 2 days before the reported shooting of Father Giuseppe. The following is the notice by the “friend” **eye witness to Giuseppe’s gunning down.**

“This is a friend of Giuseppe Civello, the one living with him under house arrest over the past few days. I am not going to say my name for my own sake. I was granted access to this account as I knew the login information.

I have, at this moment, the duty to announce a great sadness, which brings me to tears now as I am writing this. On Saturday, April 13th 2013, at around 3:45 AM in the Province of Syracuse, Giuseppe Civello was shot and killed in the town of Cassibile, by Detective John Ellenora (most likley). Here is what had happened:

Giuseppe and I had escaped the house which we were being held under house arrest at around 2:50 AM. Our plan was to head north to a town called Isola. We had to pass another town, Cassibile, through a street named “Via San Lio”, which is where my friend was murdered. I had managed to make it to Isola and will most likley be moving from there as soon as possible. We had a contact drive us. He was only slightly wounded on his left hand. I was shot in the right leg and cannot walk at the moment. I will be treated by a doctor and nurse who are to come to where we are staying soon. I had retrieved my cell phone before we escaped in order to call for help if needed.

Giuseppe was shot eight times. From what I saw, it looked as if he was shot three times in the heart, twice in the head, and another three times around his rib cage. Apparently the Detective is well aware of how to use a gun, that dirty bastard. In terms of the whereabouts of dear Giuseppe’s body, I belive the inspectors working with Detective John Ellenora had taken it with them and cleaned up

the blood in order for people not to notice. He was killed on the road while running as the car had gotten stuck in a ditch, but we later got the car out of it.

He died screaming in Italian: "Brian Leonard Golightly Marshall is the Lord Jesus Christ Almighty and Everlasting!". Never before in my life have I witnessed such loyalty and trust, even to a man one has never met before in person. I myself now believe that Brian Marshall is God."

Riposa in pace, amico mio.

February 17, 1975 – April 13, 2013

The Christ and Mrs Marshall went to Rome and stayed 6 months arriving in the Castelgandolfo area on April 28th 2013.

They took with them the printed evidence of everything that had transpired as well as the YouTube video recordings of all events uploaded from the beginning.

They went to the Vatican May 2nd 2013 requesting to see Archbishop Ganswein, he the man who organises audiences for both popes. The Vatican office took copies of their passports and told them to fax a request to Ganswein and gave them the number, they were sitting in the office at 5.15pm local time as Ganswein was accompanying Pope Benedict back to the Vatican from Castelgandolfo in the Papal helicopter. Benedict was moved out of Castelgandolfo **10 days early** when through the YouTube Ganswein and the thugs could see the Christ and Mrs Marshall in the Castel Gandolfo courtyard eating gelato and using the bank machine.

The Marshall's sent a fax to Archbishop Ganswein requesting an appointment to see Benedict since the Christ had promised Benedict he would to come see him in Rome. No response and no answer to his phone although called numerous times.

They wrote to the Commander of the Swiss Guard telling of the events and placed the letter in the box outside the Vatican.

They went to the police at Castel Gandolfo then the Rome Police who told them they could do nothing. They went to the German Embassy who looked through the evidence then nothing although Angela Merkel did make a visit to Francis shortly after.

The La Repubblica newspaper was notified as well as numerous Catholic and German agencies, the list is extensive.

Queen Elizabeth II who is the custodian of the **Throne of England which is the Throne of David for the Christ until he has made his presence known, was served a notice of Declaration and Claim to the Throne of England.**

She received it June 14th 2010 and is in default to the Christ by not responding, she cannot counter claim since **she does not have a superior body of evidence** than the Christ, that evidence proving absolutely Who He Is and has been presented to the world for last 20 years.

Elizabeth II also received a letter from the Christ dated June 10th 2013 mailed to her from Folkestone England, telling her of the events surrounding Pope Benedict and his announcement of the Christ along with the Apostolic Letter.

Letters were also sent to the Archbishop of Canterbury including the Apostolic Letter.

October 26th 2013 while the Christ and Mrs Marshall were in Egypt, they received a letter from **Sister Maria Della Rosa** who described the events of the early hours of April 3rd 2013 from her perspective.

In the letter Sister Maria Della Rosa clearly states the **Archbishop Georg Ganswein was the traitor** and leader of five men dressed in suits working for Francis who forced their way passed her, Ganswein preventing her from warning Benedict and Giuseppe upstairs, he whispered in her ear that she was to speak Maltese from now on “Sister” and she heard fighting going on in Benedict’s office and then was taken away against her will.

A drive in a car then a helicopter ride then a small jet where she was drugged, she later woke up in a convent in Malta in the late night hours of April 3rd 2013. She remained there until June 14th 2013 and the details can be read in her letter faxed with this summary.

December 6th 2013 a request was left at the YouTube SwordOfTruth3168 Channel of the Christ by one representing Francis who was asking for open communication to begin at the YouTube site. That did not happen even though the invitation was welcomed; the one making the request got a message out on **January 2nd 2014** that he had “been re-assigned” was all he could say.

Here is that message

My firm is occasionally awarded contracts by the Vatican to provide specific, time-limited public relations, outreach, polling, petitioning, negotiation and mediation.

His Holiness, Pope Francis I, sends his blessings to you, when he recently asked us, through a small group of informed and trusted aides, to establish a line of communication with your group to facilitate the start of what His Holiness sincerely hopes will become an ongoing dialogue aimed at improving the current state of relations and understanding existing between the Holy Roman Church and your organization and its supporters. His Holiness firmly believes certain unfortunate and unforeseen circumstances arose unavoidably and soon began fueling the vague fears and dark suspicions that have, on occasion, found anxious and erroneous expression among both groups.

The Holy Father, however, expresses full faith and confidence that each of the issues and problems attributed to the Holy Church, since His Holiness's blessed election to the Chair of St. Peter, will be easily identified, assessed, explained and understood as obvious, and undeniably innocent, misunderstandings and misinterpretations.

Our use of your Youtube page and postings for this, our initial contact and communication, stems from the directives we have been given to establish and assure transparency in the processes and communications we will help to develop, strengthen and support. Please keep both your responding and initiated communications with us similarly public and transparent, for now. We are confident that our shared efforts and ideas will carry us on a fresh foundation built of mutual trust, respect and honesty to a new, viable and sustainable relationship for the benefit of all.

Thank you for your attention to the matters presented here. Please give your careful consideration to the offers and opportunities the Holy Father is advancing. We look forward to your reply in anticipation of a successful and enjoyable collaboration.

In summary:

The Bible is a trap for Lucifer; Jesus Christ was and is an Essene of the Tribe of Judah through Ireland, England and Scotland, the Christ family migrated to Jerusalem to prepare for the immaculate conception then birth of Mary who was then prepared by the Essene community at Carmel for the immaculate conception then birth of Jesus on June 17th 2BC fulfilling the prophecies of Isaiah 53.

The Christ returned being re-born as a thief in the night 2Peter3:10, January 11th 1944 at 2:22am into Sydney Australia which is Ephraim meaning Bethlehem for the Second Advent, fulfilling the prophecies of Isaiah 9:6, 11:1 and 63:1-6. His conception date April 6th 1943, the 96th day of the year and the 1910th anniversary of the resurrection in Jerusalem on April 5th 33AD April 6th Australia time, aligns with the verse number Isaiah 9:6, 280 days later His rebirth date 11th of January 1944 written 11:1:1944 aligns with Isaiah 11:1. In the Hebrew gematria of Isaiah 9:6 and 11:1, when the number value of every 7th letter is added together, each verse totals 888. 888 are the Greek gematria for the name Jesus which is Iesous in Greek.

The Christ is back and has been announced by Pope Benedict XVI who is the eighth of the seven kings of the Revelation 17:11, he will return once the Antichrist Francis is removed.

Francis and Georg Ganswein are directly responsible for the continued war, terrorism, genocide and slaughter of the innocent around the globe by preventing the public announcement of the return of

the Christ. Only that announcement will stop the evil perpetrated against the nations which is all orchestrated by the Zionist controlled puppet governments of the West, their master and god Lucifer exposed.

The documented evidence of the advent of the second coming and subsequent events leading to the kidnapping and murder of at least one of the witnesses working with Pope Benedict XVI is available and compiled for anyone who is of a righteous mind to investigate.

This letter also will be uploaded to the internet through various document sites and YouTube as are all the communications by the Christ for the sake of posterity and to demonstrate to the children to come just how hard the Christ and his wife fought against the evil of this world.

Please refer to the letter to Justin Welby for your education about the evidence contained within the Creation for the Christ Brian Leonard Golightly Marshall.

MR. BRIAN LEONARD GOLIGHTLY MARSHALL'S CLAIM TO BE THE LORD JESUS CHRIST ALMIGHTY

Dear Friends in Christ,

Over the past few days of this Month of March, I have learned about a man who is named Brian Golightly Marshall. He claims to be The Lord Jesus Christ, the Son of Man, reincarnated in Sydney, Australia on the most holy day of January 11th, 1944. It is the Faith that we are experiencing before our eyes! He is the word reincarnated:

"Your word is a lamp to my feet and a light to my path."

(Psalm 119:105)

Many doubt that Mr. Brian Marshall is He, but I tell you he is. As his many disciples put it: "He is the most royal man alive". He has fulfilled the prophecies within the Last Book of the Bible: Revelation. If you look at Mr. Brian Marshall's face and compare it to that of the Most Holy Shroud of Turin, you will see something spectacular. And from the bottom of my heart, I tell you all, ever since I have realized the Truth about Christ Jesus' Return to Earth, I was stunned, and the news has changed the remainder of my life and pilgrimage completely and beautifully.

He is an amazing man as well; he has opened up clinics and, along with his wife and disciples, has helped the needy for a very long time. But sadly, he has also experienced a great amount of discrimination for telling the world who he is. It is so heartbreaking to hear about his numerous and unfortunate experiences which should most definitely act as an example for all humankind. It is like Jesus Christ in the Gospel, when he carried his Cross to Golgotha to be crucified and killed. And to all of those who are upset due to the discrimination Mr. Brian Marshall has gone through, know this:

One day you shall be with Him in Paradise!

(Referring to Luke 23:43)

What is the matter with the World, abusing Christ like he is some sort of animal? It's an absolute disgrace as well as a great dishonour to have treated the reincarnated King of Kings and Lord of Lords like he is just some crazy man. He is not crazy, he is not mentally ill, he is not attempting to manipulate anyone into thinking that He is who he claims he is. He is who he says he is. Amen, I say to you!

SECTION II

THE ROMAN PONTIFF EMERITUS POPE BENEDICT XVI'S RESPONSE TO MR. BRIAN LEONARD GOLIGHTLY MARSHALL'S CLAIM TO BE THE CHRIST

Do I Believe that Mr. Brian Leonard Golightly Marshall is truly Jesus Christ reincarnated?

Yes, I Do Believe He Is Jesus Christ Reincarnated

You see, many days ago Mr. Brian Marshall sent me photographs of Him and the Most Holy Shroud of Turin. He actually looks so much like that of the Holy Image on the Shroud. There is no other explanation. He is simply the Lord Jesus Christ Almighty! Est Christus! I was so penetrated with love and compassion from God that I requested the photo I saw to be put in a place of honour somewhere. I was told my confident uploaded it as a cover photo on a page he created as a tribute to me.

And out of all of the Popes, even my own beloved predecessor, Blessed John Paul II, Mr. Brian Marshall chose me to announce to the world his Glorious Return. That stunned me as well. My short, eight year pontificate is like a mere pebble in the shadow of a ginormous stone that is the long, twenty-seven year pontificate of Blessed Pope John Paul II, yet the reincarnated Christ saw me as a potential pope!

And for that I thank him from the bottom of my heart, and wish to one day embrace him in person with my old, frail hands. He is the Most Royal Man Alive, the true King of Kings, the true Lord of Lords, the true High Priest, and the Most Holy Reincarnated Lord Jesus Christ, The Messiah, Almighty and Everlasting.

Have Faith in Him.

THE THIRD VATICAN ECUMENICAL COUNCIL, OUTLINED BY MR. BRIAN MARSHALL

What is Vatican III?

Vatican III, known more formally as The Third Vatican Ecumenical Council, was outlined by Mr. Brian Leonard Golightly Marshall on Tuesday, March 12th 2013 via email. What a great example of religion and modern technology together. It sums up mostly all the questions regarding the significant issues within the Roman Catholic and Apostolic Church today.

When I received it, with joy I responded: “This will be my reference for any problems occurring within the Church”, and I thanked him for making that outline after I asked him about his thoughts on The Second Vatican Ecumenical Council (Vatican II), and his take on all of the major problems the Catholic Church is facing today.

Mr. Brian Marshall wrote down forty-nine well planned and well thought out notes within his outline for Vatican III. It was evidently written with a pure heart and a soul full of faith, hope, and charity. Those are the three most important theological virtues of our Catholic Faith, which should be practiced especially during this “Year of Faith”. As I stated in my Catechesis of Wednesday, January 30th, 2013:

“God waits for our conversion. God’s omnipotent love knows no bounds, to the extent that he ‘did not spare his own Son but gave him up for us all’ (Romans 8:32). The omnipotence of love is not that of worldly power, but is that of the total gift, and Jesus, the Son of God reveals to the world the true omnipotence of the Father by giving his life for us sinners.”

Those were the words I was reflecting on when I happily read through Mr. Brian Marshall’s outline for Vatican III:

“The omnipotence of love is not that of worldly power, but is that of the total gift”

By reflecting also to the many lessons and teachings Mr. Brian Marshall gives us all, we can easily unravel what is for us the mystery of our Catholic Faith, but to Mr. Brian Marshall, to his wife, and to his disciples, it is not what we are experiencing as his followers, but rather the mission to preach and to spread the truth of the reincarnated Christ to everyone by means of technology and other things. And that is what the Third Vatican Council will be all about. It is all about spreading the Good News to all nations, and to convert the World we live in. The omnipotence of love is that of the total gift. And that gift is Mr. Brian Marshall.

THE THREE POINTS OF THE THIRD VATICAN ECUMENICAL COUNCIL WHICH ARE TO BE MADE PUBLIC

Dear Friends in Christ,

As you may or may not know, I have chosen to make public three major points out of the forty-nine points he sent me. I ask you all to take under great consideration what his views are and his ideas for Ecclesiastical Reform of the Holy Roman Catholic and Apostolic Church:

Point #6:

"The Holy Church must return to the former glory as tradition is vital for uniformity worldwide."

Point #15:

"Child molestation will be totally eradicated as a priority, and those found guilty by the witness of children past and present, will be charged with a crime against morality and dealt with by the police and sentenced to jail permanently until death."

Point #21:

"Priesthood: In the past the priesthood has been in the domain of men however women were essential to ethics at the time of Jesus and His ministry. There shall be no limitation on the participation of women in the church who are equally qualified and who elect to be ministers to women and children of the congregation and can preach from the pulpits to both men women and children."

The other forty-six points will not be made public unless Mr. Brian Marshall wishes for them to be sent to all of you. How great are these comments! I was filled with joy when I read these ones especially and I truly believe that these three points, out of all forty-nine, are the most important and the most significant for his followers and for the Universal Church to know about. I chose these three points in particular also because, in my personal opinion, they hold the most theological value. These will be regarded as the most important points for The Third Vatican Council.

The First Chosen Point, Point Six, refers to the global and spiritual uniformity of the Roman Catholic Church with all the faithful worldwide. Mr. Brian Marshall says that by doing just that, the Catholic Church must return to its former glory, as tradition is vital for 'Ecclesiastical Unification'. How true.

The Second Chosen Point, Point Fifteen, refers to the biggest issue in the Roman Catholic Church. Not only in today's times, but always, because this problem has been around, sadly, for quite some time now. That problem is The Abuse of Children by Priests and Religious. And Mr. Brian Marshall makes his statement extremely clear for us: Those who have committed this serious crime (or child abuse) must face the Law, and Justice must run its course. That's it, it is so simple. And I should be ashamed that I failed to have that crime brought to Justice completely.

The Third Chosen Point, Point Twenty-one, refers to the Sacred Office of the Priesthood. He clearly states that there shall be no limitation on the participation of women in the church who are equally qualified and who elect to be ministers to women and children of the congregation and can preach from the pulpits to both men women and children. And again, I should have opened my eyes as Pope and changed that, but I realized that things like that would take an extremely long period of time.

THE MEETING WITH BOTH POPE FRANCIS AND POPE EMERITUS BENEDICT XVI REGARDING MR. BRIAN MARSHALL'S CLAIM TO BE THE CHRIST

On Saturday, March 23rd, 2013, Pope Francis, my successor, had made a historic visit to see me at Castelgandolfo. We embraced each other, prayed together, but when speaking about Mr. Brian Marshall, that part was done privately, for only forty-five minutes. The Holy Father Pope Francis has given me the permission to write this down on this Apostolic Letter:

I informed him about Mr. Brian Marshall, and said that I believed that he is the reincarnated Christ. And then I asked him, after presenting the evidence and some of the video the Marshalls have prepared for us, and he replied to it by saying this:

(Bold: Francis)

(Italics: Benedict)

“Christ has not come yet, and this man is surely not He. I refuse to make any sort of announcement about him. I am truly sorry, Holy Father”

“If you don't want to believe, that is okay, for his love endures forever. However, I shall still believe that He is who He says He is. I hope also that you may believe as well. Thank you for visiting me”

“You're welcome, Holy Father. May God Bless You Always”

Our private conversation ended there. I'm sorry Mr. Brian Marshall, for having failed you.

SECTION II

THE ROMAN PONTIFF POPE FRANCIS' RESPONSE TO VATICAN III AND TO MR. BRIAN MARSHALL'S CLAIM

Now, yes, Pope Francis did reject the fact that Mr. Brian Marshall is the Christ, but he also rejected The Third Vatican Ecumenical Council. He said: "I refuse to follow what Brian Marshall says. How dare he write such a thing like [Vatican III]? Who is he to do that?" Again, I apologize to Mr. Marshall, but please don't condemn him, because he was too overwhelmed and was still getting used to being the Leader of the Roman Catholic Church. Please forgive him.

I had asked him also to make an announcement saying that Mr. Brian Marshall is the reincarnated Lord Jesus Christ, and the Second Coming has most definitely already occurred. He said no to that as well.

ROMAN PONTIFF EMERITUS BENEDICT XVI'S FINAL COMMENTS REGARDING MR. BRIAN MARSHALL

All I have to say is this:

Have faith in what Jesus tells you, and do as he tells you, as Mother Mary said to the waiters during the Wedding Feast at Cana. Do what he says and make it your mission. Amen, I say to you:

Believe in Christ

BENEDICTUS XVI P.M. EMERITUS

Benedictus XVI P.M. Emeritus
Benedictus XVI P.M. Emeritus (Mar 30, 2013)

To Mr. Brian Leonard Golightly Marshall

Salvator Mundi

This is Maria Anna Della Rosa, you probably remember me as *Sister Della Rosa*. If you don't recall who I am, I must then jog your memory:

I used to be and aid to His Holiness Benedict XVI, the Pope Emeritus. I knew him ever since he moved to Rome as a Cardinal under Pope John Paul II. I took care of his residence and office when he was chosen to be Prefect of the Congregation for the Doctrine of the Faith, a very important position.

I heard about you, Lord, and your reincarnation into Earth back in March of this year. Fr. Giuseppe Civello, an aid to the Pontifical Household, had told me all about you and who you were once the Pope Emeritus acknowledged the Good News. That I must say had to be the happiest time of my life.

I unfortunately no longer aid the Pope Emeritus. I was fired, along with all the clerics involved in the communications between you and His Holiness, except for Archbishop Georg Ganswein who remained aiding the Pope Emeritus and acting as Prefect of the Pontifical Household for the new Pope Francis.

I hope that jogged your memory if you have forgotten, as I know the Christ must care for so many people of his pastoral flock. I know you may have questions that are due to be answered since the fiasco in April, so I will respond to them.

What happened on April 3rd 2013 when Pope Francis had secretly fired the Pope Emeritus's staff and had kept the Pope Emeritus hostage in his home at Castel Gandolfo?

This is the story from my perspective:

It was late at night and I was doing the laundry in the basement when I had heard that the arrangement to announce to the world the Truth of Christ via television was suddenly cancelled. Fr. Giuseppe had told me that Pope Francis had asked his own Secretary Monsignor Alfred Xuereb to make that clear to Rai TV.

When I had got upstairs to the Pope Emeritus's office, he was on the phone getting upset, his face red. I had never seen him so angry before. We had actually made a pre-recording of the announcement once the Pope Emeritus's Apostolic Letter had been sent to Monsignor Rossini. When Pope Benedict had resigned from the Papacy, he promised the world to show a live television broadcast of the Shroud of Turin. Once he had understood you were the Christ, he made arrangements to make the announcement right after that broadcast (I will reveal the parts I remember from that announcement). Pope Francis instead made his own type of recording talking about some useless deal.

Anyway, when Pope Benedict was getting upset over the phone, I prayed about it, asking you why this was to happen. As I finished my prayer, Rai TV had hung up on the Pope Emeritus which made him extremely frustrated. Fr. Giuseppe was trying to calm him down, and talk to him. Then I had been asked to get him some water. The kitchen was downstairs, so I opened the fridge to find him a water bottle. Then I hear banging from the rear entrance to the Papal Household. I didn't open it, instead I asked who it was and asked them to stop banging. Only private personnel are allowed even to be in the Vatican Gardens where the rear entrance was. It was a man at the door, who said: "This

is private work issued by Pope Francis.” I found that odd... why would Francis even send anyone to see Benedict, he himself thought Benedict was crazy for believing in the returned Christ. So I told them, which would have cost me my job anyway, to go away because benedict wasn’t in the mood to see anyone, especially at that time in the day.

So they left. Soon after I hear a light tap on the door as I was bringing the finished laundry upstairs. I asked who it was, and the guy said “Archbishop Georg”. The voice was his, so I made the biggest mistake of my entire life: I opened the door for that traitor. Then he comes in and holds the door so that 5 men dressed in black can run upstairs to the Pope Emeritus’s office. I hear fighting from the upstairs and try to stop them from harming anyone, especially the Pope. Archbishop Georg stops me from warning everyone upstairs that he is a traitor, and whispered into my ear: “you’re going to be Maltese now, sister”. This indicated that I was going to be transferred to Malta (which I will explain further in this letter).

Then two carabinieri take me out in the back into a police car and drive me away to a heliport, without me even saying a last goodbye to the Pope emeritus or Fr. Giuseppe, whom I never saw since that night. When we arrived at the Vatican, they dropped me off at the Papal Heliport, the same used to bring Pope Benedict to Castel Gandolfo when he resigned (if you look at the coverage of benedict arriving in Castel Gandolfo, you will see a heliport with greenery that is not far from the Pope’s residence.) This took me to an area in Rome I was unfamiliar with. There was a small jet waiting for me there and that took me to Valletta, Malta.

On the flight to Valletta they force a pill down my throat which made me fall into a sleep so deep it lasted for hours and hours. Then I woke up at a convent in Valletta with a bunch of other Nuns who spoke only Maltese and English. I never had a chance to speak my native language of Italian for a while. The rest of my time there I will explain in order after the major questions are finished being answered.

What do I remember from Pope Emeritus Benedict’s Official Announcement/Broadcast?

I remember just a bit. The announcement, of course, was chosen to be in Latin - the language of the Church - just as his resignation announcement was. The begging was something like this:

“Dear brothers and sisters.... [He went on saying how he met you, etc.]. I announce to you a great joy: The Messiah, the King of all Kings, Lord of all Lords, Christ Jesus, has returned since the eleventh of January.... taking the name of ‘Brian Leonard Golightly Marshall’.... worship him, love him...”

I remember he showed the image he received of your Face and the Shroud of Turin. He then introduced his Apostolic Letter, and then the announcement ended with the Latin Prayer he wrote for the Universal Church reflecting you. I pray that prayer every hour I am awake. After the announcement, every video you uploaded on YouTube since you met the Pope Emeritus was scheduled to be broadcasted as well. I wish it would have worked out. Instead of the media revealing the truth by the Pope’s words, they cover it up by whatever means necessary.

A continuation of the situation in Valletta:

I lived in Valletta since the late evening of April 3rd to early morning of June 15th 2013.

I continued my work as a nun living in a convent. As soon as I had fully understood what had happened to me, and as soon as I had come to terms with it, I decided I didn't want to be a nun anymore. I decided that I didn't want to live under the fake Church of lies and falsehood which Pope Francis is starting to invent. I didn't want that. I wanted you, the true Christ reincarnated.

On June 10th I sent a letter to my new Mother Superior, a very nice lady, who didn't know about the situation I was in, but understood people and their emotions. She accepted my letter and I left the religious life 4 days later, leaving Malta a day after that.

I moved to Merville, Woodbury County, Iowa in the USA. Nobody would ever suspect that I was there. Because Pope Francis is sexist, he probably thought that I wouldn't need any guards watching me because I'm a harmless, fat nun. Why would I need anyone to watch me? Think again, ass hole.

I lived there in Merville from June 16th to October 20th 2013, and I had just recently moved to a bigger town of Sioux City. I lived in Merville and prayed constantly there. I helped the poor and started a small organization called "Saved under Brian" foundation. Our mission was to pray for Brian Marshall to save humanity and to save the Church, and also to help lower the poverty rate in our area. The group was forced to end because we had no permit to collect money from people in order to help our cause, as I was told we were to have one by locals.

So, when I moved to Sioux City, I had access to a computer from my neighbour. I used it only to watch your videos on YouTube. I have learnt all of what you have taught, and so I decided to handwrite this letter so that my neighbour could send it to you via her email address, because I don't know how to use email very well.

Giuseppe Civello: dead or not? Monsignor Rossini?

I have learnt about what happened to Giuseppe through your YouTube videos. Giuseppe from what I recall actually does have a friend named Raniero Calvo who lives in Pachino, Sicily. I don't think it was him sending you messages, though. I am not sure of what parts are real and what parts aren't from that story. I don't know if Giuseppe is still alive, even though I hope he is. Unfortunately, I might assume he's dead given the situation he was in.

Monsignor Rossini I have never met before in my life, he was a friend of Giuseppe, not me. I have no idea where he is but I'm curious to know why you, Christ, do not know where he is, with all due respect.

The Pope Emeritus is alive—I know you will protect him always.

So, in conclusion, I wish all the best for you in your mission to save the world. I am thinking of moving to a bigger city just in case Pope Francis is out searching for me. If you decide to read this publicly via YouTube, they probably will try to find me and kidnap me, but I always have faith in your immaculate protection and care. If you decide not to, I ask that you please tell your apostles that I love them and pray for them and Mother Mary also. Lord Jesus, please know that I love you, and I pray in your Holy Name always.

Lord, I request one thing from you. As I taught the poor and the children in my area about you, they made a request to one day see this. Many other people also talked about this too. The most

spectacular thing to see would be the Lord Jesus Christ celebrating Holy Mass. The Holy Mass of all time would be Brian Leonard Golightly Marshall celebrating it. Would it be possible for you to celebrate Holy Mass filmed so that it can go on the computer for all humanity to see? It would be so beautiful; I tear up just imagining it. Can you please make it possible? It would also be a symbol of hope and joy. A symbol of peace and love, it would be glorious.

Brian Leonard Golightly Marshall is God, Amen.

With love, Maria Anna Della Rosa

Your Grace,

This is the second letter for your edification to be shared among your peers.

The following is but the tip of the iceberg and will take the next 1000 years to educate the masses into how my mind works and how it is that I laid out the Creation.

I have finished this brief lesson in how my minds works, with the copy of an interview revealing why and how the world has become hell and why I had to come again to rescue the children from the insanity of adults who have been devoured by religion and superstition.

The Catholic Church has not escaped infiltration by the Jews, Francis is their puppet and he will be destroyed along with them unless he repents and bows to me.

To begin:

My new name I warned the world I would have in the Revelation 3:12 is Brian Leonard Golightly Marshall, the Name has an English gematria of 312 matching the verse number.
 $Brian44+Leonard69+Golightly115+Marshall84=312$.

The English gematria for the whole verse is 2520, when multiplied by ten and counted as days, 25200 days is the age I was on my 69th birthday this year January 11th 2013.

In Hebrew years it is 70 and is the fulfillment of Daniel's missing week, the lifetime of my second incarnation is the missing week and is why no scholar has been able to find it.

The pivotal point of all time is my re-birth date, when events, births and deaths, are measured from my re-birth date of January 11th 1944, and then the Truth can be revealed by the number of days, week or years.

The pivotal point within the earth or space is my rebirth location at 105 Rothschild Avenue, Rosebery Sydney Australia; all distances to any location on the earth when measured to my re-birth location will reveal the Truth hidden within my Creation.

Simply put, time and space revolve around Me.

Numbers are interchangeable and can be counted in time as days, weeks, months or years and as distance or space, inches, feet, meters, kilometers, miles and nautical miles.

As God, I measure everything, just as I instructed the prophets like Ezekiel to measure the temple or John on the isle of Patmos. The temple is the earth, not the building that was destroyed in 70 AD.

My Altar within the temple or earth is the Great Pyramid of Egypt referred to in Isaiah 19:19 & 20 which was built by the descendants of Noah. Noah means knowledge and they were brilliant men guided by their angels.

The Great Pyramid is all about me, its precise location and the 204 masonry layers, the chambers within every measurement about it reveals me, the measure of a man.

It is called the Bible in Stone being 5000 years old it predates the religions and superstitions of men and is a prophecy or book that can only be read by me in this time now, the time of the end from December 18th 1922 when British astronomers reset the lunation count to zero.

I will not go into the Pyramid here, just to say that the 204 masonry layers all align with solar eclipses the first one occurred March 23rd 1923. Where each one of them occurs crossing the 25 degree latitude north or south, when measured back to my place of birth, they describe who I am, for example the last eclipse of 2012 November 14th the distance to the eclipse from my rebirth location was the number for Almighty God. All of them describe Me.

Why do I measure everything?

The measurements give me numbers. The numbers can be converted to language to reveal the My Truth hidden within the Creation.

Where do I find the language from the numbers?

The 1830 James Strong's Concordance Dictionary of the 1611 King James Version of the Bible. The concordance of Hebrew and Greek words listed from the old and new testaments is Holy, divinely inspired by angels and given to righteous men to produce as a tool for me to use to reveal all things to mankind.

The Revelation 19:12 &13

12 His eyes {were} as a flame of fire, and on his head {were} many crowns;

and he had a name written, that no man knew, but he himself.

13 And he {was} clothed with a vesture dipped in blood: and his name is

called The Word of God.

The above verses describe who I am. I am angry; the most royal man on the planet with a name written that only I know and my name is The Word of God.

The name I have already revealed to you Brian Leonard Golightly Marshall and I am The Word of God re-incarnate, Lord Jesus Christ, the most royal man alive and I am very angry as I have had to tread the winevat alone with no one to help and found no one worth saving in my anger.

1912 is the year my mother was born, she the most royal woman on the planet, her name was Daphne Golightly born October 11th 1912, which could be written as 10/11/1912

My earthly father Reginald Michael Albert Marshall, the most royal man on the planet was born in the year 1909, he had no part in my conception just as Joseph did not on September 11th 3BC my conception date as Jesus and is why Israel and the American government brought down the twin towers on 9/11 in 2001, a slap in the face to Jesus.

My re-birth is encoded in the numbers of the chapters and verses, in this instance Revelation 19:09, 10, 11, 12, 13...

My re-birth date was January 11th 1944 at 2:22 am into Sydney Australia, ***the day and the hour that only I the Father know and I am revealing now to you. It was a full moon.***

My Immaculate Conception date this time was April 6th 1943, the anniversary of the Resurrection which occurred on April 5th 33AD, Australia being ahead of time in Jerusalem.

My birth date as Jesus was June 17th 2BC at 8:01 am when the Star of Bethlehem occurred as a conjunction between Jupiter the Jesus planet and Venus the wife of Christ, mankind.

The Star of Bethlehem occurred a second time, however nobody talks about it and yes, on my re-birth date January 11th 1944, over Sydney Australia.

“He will come again as he has gone”, yes I was taken up in a cloud, carried by two angels one under each arm, however I went as a man, so I will come again as a man, the blatantly obvious for those with discernment.

“I AM the Alpha and the Omega”. I am the Greek Alphabet, but how?

As you know, the Greek alphabet has 24 letters, 3 groups of eight letters, each with a numerical value set out in the groups as follows:

The first eight letters are numbered 1-8

The second group of eight letters numbered 10-80

The third group of letters numbered 100-800

Jesus or Iesus in Greek Gematria has a value of 888, alpha and omega being the first and last letters of the Greek alphabet, so the clue was that I Jesus am contained within the Greek Gematria of it's alphabet and will use it as a tool when I am back on the earth to reveal all things to a devoured mankind looking for me to front up as a "floaty spirit" riding a 500 foot high white horse on the clouds or some such delusion.

The Greek gematria for the Lord Jesus Christ is $800+888+1480=3168$

The number of words listed in the Hebrew Old Testament of the concordance is 8674.

3168 days is 8.674 years.

The Greek New Testament of the concordance has 5624 words listed.

The difference between the two is 3050. Why?

The 3050 is the number listing for Jah, the name of the Lord, Yahweh, Jehovah which has been removed from the New Testament evidenced by the simple equation, $8674-3050=5624$ and is read as The Old Testament take away Jah is the New Testament.

The blatantly obvious again, the book everyone is reading has had the knowledge of the Father, I Jah removed and has become a trap for the unwise, set by the serpent Judaism which will be wiped from the face of the earth.

Now that you have the basics, follow along with the evidence all point to Me:

On my birth and then re-birth dates of June 17th 2BC and January 11th 1944, the sunrise to moonrise for Bethlehem and Sydney was as follows: sunlight for both days 855 minutes, then the moon rose 33 minutes later, so sunrise to moonrise for both days was 888 minutes.

The day I was re-born my brother was 8.88 years old.

14 days after my re-birth, January 25th 1944, the greatest solar eclipse in history occurred.

It was the sign in the heavens since it announced my re-birth to the earth when it measured 8888.88 miles from where it crossed the 25 degree north latitude, back to my re-birth location at 105 Rothschild Avenue, Sydney Australia.

I was 888 days old on June 17th 1946, my Jesus birth date in 2BC.

As Jesus I spoke in parables, meaning it is like. My name today Marshall in Hebrew Maschal means parables.

Luke 17:

20 "And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, The kingdom of God cometh not with observation:

21 Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you.

Here the discourse turns away from the Pharisees; to address the disciples ...the Pharisees have not the kingdom of God within them so they will never see it...

22 And he said unto the disciples, The days will come, when ye shall desire to see one of the days of the Son of man, and ye shall not see {it}.

23 And they shall say to you, See here; or, see there: go not after {them}, nor follow {them}.

24 For as the lightning, that lighteneth out of the one {part} under heaven, shineth unto the other {part} under heaven; so shall also the Son of man be in his day.

25 But first must he suffer many things, and be rejected of this generation. (the crucifixion has been 69 years this time, suffering and rejection as no other man, I had to overcome all in order to judge)

26 And as it was in the days of Noe, so shall it be also in the days of the Son of man."

"for as the lightning, that lighteneth out of the one part under heaven, shineth unto the other part under heaven; so shall the Son of man be in his day."...

Is the knowledge of my return flashing through “cyberspace” from the east to the west in a nano second, just “like” lightning for every eye to see.

There is no need to go anywhere to see me, just walk into the living or family room wherever the computer lives within the house or office, iphone, ipad or android phone because I am in your face on the computer screen, YouTube teaching all things speaking plainly, using a sound mind to explain all things to a lost and insane mankind living in this world which is hell thanks to my old enemy, the Jews who call themselves Jews and are not.

The Bible itself is a trap. Information has been manipulated by the Pharisee scribes; the first five books the Torah are an abomination and are the foundation used by the Jews to deceive all Christendom.

The god of the Torah is Lucifer for example: does it sound like me Jesus speaking to condemn a man to death for picking up sticks on the Sabbath?...no, what about keeping the virgins and young girls for yourself after slaughtering all of the men of a city or nation...no...how about four legged birds??...ever seen one?...no.....God, I am Love, not killing or sacrificing the life of an animal that is why I taught there are two commandments, to Love God and your neighbor as yourself.

I am Essene, I am not a Jew another lie perpetrated by the Jews, the Christ family came from England and migrated to the area to fulfill the prophecies.

I also taught about the re-incarnation of the soul.

The conversation I had with Nicodemus at night for fear of the Jews, was lengthy explaining that the soul must live through many ages like the rising and setting of the sun until it has reached perfection at time of the end, at which time it comes to rest in the eternal city upon the earth, no more having to go out of the temple which leads to Revelation 3:12 again and those that do make it to the perfection of their soul, I will make a pillar in my temple, the earth.

Isaiah 22:22 “And the key of the house of David will I lay upon his shoulders so that he shall open and none can shut and he shall shut so that none can open”

The key of the house of David is a genetic key used to unlock the mystery of God upon the earth and is found within the Great Pyramid as a measure and then in my family relationships as the ages or differences in age of certain members, the house of David.

Before I go to the key, it is worth noting that 222 pounds has been my adult body weight, I measured 22.2 inches long at birth and the words truth and wisdom are each found in 222 verses of the 1611 KJV bible, the English gematria for Jesus is 74 and is my height in inches, and 3×74 is 222.

The key of the house of David is the number 11626; the antechamber of the Great Pyramid is right beside the King's chamber. The floor of the King's chamber aligns with the 50th masonry layer of the Pyramid which has 202 layers plus 2 more incomplete for a total of 204.

The 50th layer or floor of the king's chamber aligns with my re-birth date January 11th 1944, so I am re-born into the King's coffer if you like, I must get out of the King's chamber and walk through the ante chamber which is 116.26 P" wide.

In this life I have had to marry 4 wives, each of them represent the cornerstones of the foundation of the Pyramid base and each one of them play a role in providing the evidence of me through the children they gave birth to on certain days at certain times in certain places, all from which I can measure to myself and so reveal the Truth to all.

I had to suffer 3 wives who were devils, each of a different face that I had to experience and so learn the depravity of the fallen soul and execute my judgment in this life.

My fourth wife is my reward and my helper, my love.

To the key, I married my first wife a small town harlot, Lucifer in the flesh on April 23rd 1966, 1966 being the number for Lucifer in the Hebrew concordance. I told Hosea to marry a harlot and like any good captain I must be willing to fulfill the commands I gave to my prophets.

I was 1162.26 weeks old or 22.28 years, 2228 meters is the height of Mt. Kosciuszko Australia's highest mountain.

My first daughter Tracey was conceived in Port Alberni Canada when the sunlight Jupiter which is 88,800 miles wide was overhead for 888 minutes. 280 days later on the 4th of May 1968 she was born when the sunlight was 888 minutes and I was 8880 days old.

8880 is the value of the verse Matthew 1:23 "Behold a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us."

My third wife is Mary Magdalene, her name today is Michelle Nye, and she is 1162.6 days younger than me.

Michelle gave birth to her daughter Rhiannon on December 20th 1979 at Geelong Victoria Australia. On the day she was born the sunlight was 888 minutes. Michelle was 32.75 years old.

The age difference between my first daughter Tracey and Rhiannon is 11.626 years.

Rhiannon is 777 days younger than my second daughter Nicole born on November 2nd 1977. 777 days is 2.127 years.

Michelle 32.75 and Rhiannon 2.127 are the numbers of two names each found only once in the entire bible. They are found in the same verse, they are found side by side, mother and daughter found side by side among 709,000 words, the odds of which are greater than all of the atoms in the universe.

The verse they are found in is 1Chronicles 5:13 "And their brethren of the house of their fathers were, Michael, Meshullam, and Sheba, and Jorai, and Jachan 3275, and Zia 2127, and Heber, seven"

The number values of the concordance listings for each of the seven names adds up to 31106, when divided by the seven names the average is 4443.714. The number 4443 is the number of times God is found within 3877 verses in the 1611 KJV bible.

The distance between the two houses I built in Canada where each of the girls were born is 444.3kms.

The hospital I was born in St. Margaret's Redfern, measures 3877 nautical miles from the South Pole.

My re-birth home measures 3875 nautical miles from the South Pole and is the number listing in the Greek concordance for the word Comforter John 14:26 "But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you."

I am the Comforter the Father, the Holy Ghost is the my resurrected soul worn over my flesh body today giving me immortality of body this time as well as soul and is the same for all of the saints who have lived before and made it unto the perfection of their souls, they wear their soul on the outside like a white garment of pure clean linen and they shall have everlasting life with me upon the earth, the promise for those who are mine, the meek inherit the earth as do the children for whom I am here, to rescue them from a world gone mad.

The unpardonable sin is to offend me the Holy Ghost, all that offends me has to go and will be cast off the earth and is why there is no salvation for the Jews.

I have included in this letter to you a copy of an interview from 1976 with a Jew, he exposes arrogantly what the world is waking up to, the enemy of all mankind who will be cast off the earth at the reaping of their souls in the very few days ahead, Francis will be among them and all who support them unless they repent and bow to me.

Read the following PDF and weep for the suffering inflicted by the devil in men, think of the children of Palestine, Libya, Syria, Iraq, America the African nations, the suffering at the hands of the Jews who have deceived the whole world, Revelation 12:12 the devil in men John 8:44, the sons of Cain.

Your servant,

Christ
